Experience Vaportek's Superior EZ-360^o™ Organic Odor Neutralizer!

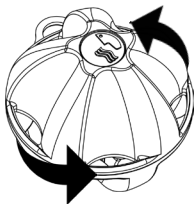

Use the disposable EZ-360^o to tackle tough athletic odors found in gym/dance bags, lockers, and sports gear including skates and shoes! Our **INTENSE** fragrance eliminates even the toughest odors, while our other fragrances are designed to freshen your environment with Vaportek's custom blend of aromas. The easy-to-use EZ-360^o consists of a variable vented sphere housing and a special fiber element which has been immersed in a complex blend of select aromatic oils. Our unique dry vapor technology is slowly diffused over the course of a month when vents are twisted into an open position. Simply twist the sphere to close vents when deodorization is not required.

PRODUCT SAFETY:

- CFC-Free & not formulated to generate ozone
- Contains no added ethyl alcohol
- IFRA compliant
- Non-toxic to the environment
- VOC compliant
- Spill-proof

INCLUDED ACCESSORIES:

Included with each purchase of an EZ-360^o is a carabiner aluminum locking clip. Use to clip your EZ-360^o to lockers, gym bags, and more!

Simply twist to adjust dry vapor release.
